Mission: The Hinton Area Foundation is a community foundation organized to encourage charitable giving to permanent community funds, providing a common source for contributions to benefit the Summers County community now and in the future.

West Virginia residents may obtain a summary of the registration and financial documents from the Secretary of State, State Capitol, Charleston, WV 25305. Registration does not imply endorsement.
The year 2020 will be remembered for the COVID-19 pandemic year. It was a year of a lot of people, including myself, saying “I don’t know, I just don’t know.” It was a year full of fear of the unknown and sadness with so many lives lost due to a pandemic that spread so rapidly. It became a year of masks, hand sanitizer, and Zoom meetings, and one where social distancing and isolation became the new normal.

But in this year of craziness the Hinton Area Foundation forged ahead and still found ways of leading and helping the community, and succeeding. 2020 can also be remembered for all the people that stood up and helped to make things better. There were many positive stories throughout this year.

Through many Zoom meetings, emails and telephone calls the Foundation was able to hold a virtual scholarship presentation for all of our scholars instead of hosting our annual Scholarship Banquet. The Foundation worked with local nonprofit groups to help provide funding for feeding children who were not able to attend school in person. We were also able to find a little fun by having our first virtual Reverse Drawing Event in place of our Autumn After Five Auction, which raised several thousand dollars for the Foundation. The Foundation was also able to work with the City of Hinton to help find funding to help with the city clean-up event that was held in the fall.

This year challenged many of us to think more creatively. It made us slow down and look at things differently, which is not altogether a bad thing. 2020 made us appreciate many things we take for granted every day, like getting together with family and friends for dinners and celebrations. Simple activities such as going to the store and shopping were not simple anymore. Sometimes it takes something disastrous to make us slow down and appreciate each other.

I appreciate every one of our board members and community supporters for continuing to assist this foundation. We have had many challenges this past year but we were able to overcome them and move forward due to the hometown leaders on our board and in our community. Thank you for the opportunity to be a part of this wonderful organization. Here’s to saying good-bye to 2020 and hello to 2021!

Thank you,
Kristi

John Maxwell,
also attributed to William A Ward
in a year when the forces of nature threw everyone for a loop, and upset our familiar patterns of life, what we needed were heroes and heroines—those who dedicate their energies to keeping us from losing hope for the future, and keep us heading in the right direction. Summers County is full of heroes and heroines.

Heroes like our parents, teachers, School Superintendent David Warvel, and Board of Education members, who navigated the education process through unknown territories to the very best of their abilities to keep our children and youth not only educated and connected to the internet, but fed and showered with loving affirmations throughout the year.

What would we have done without heroes and heroines like Chad Meador and his dedicated professionals at the Summers County Department of Health or the folks at DHHR or Senator Stephen Baldwin, all of whom kept us informed and tirelessly worked to get vaccines distributed in a highly efficient manner to hundreds of residents?

The many donors to Hinton Area Foundation are our heroes and heroines, who support us throughout the year. So many gave generously in May during our “Take 5 to Give 5” fundraiser. Your giving allowed us to receive two large matching contributions through Philanthropy WV and five corporate donors that expanded the capacity of our Disaster Relief funds to support food distribution throughout the County.

Other nonprofit and faith-based organizations like REACHH-FRC, Yummy Bags Ministries, and Summers County Council on Aging among so many others are heroes who continue to provide necessities like food, personal hygiene and household cleaning supplies, clothing and books to citizens throughout the County. Thanks to hero Darrell Lilly and his volunteers, 242 children got toys and clothing through the Summers County Christmas Toy Fund. Thanks to the heroes at R. T. Rogers Oil Company, along with Hinton Area Foundation’s Disaster Relief Fund, two fire victim families received money to help them recover from the loss of their homes and belongings.

Mayor Jackie Scott and the Second Saturdays heroes organized two local weekend Holiday shopping events to make sure our local businesses and crafters were the first recipients of our Christmas spending to keep them thriving. Mayor Scott with the Hinton City Council organized a city-wide cleanup effort and removal of dilapidated buildings on Temple Street another tribute to collaborative efforts, which included grants from the Making A Difference Fund at Hinton Area Foundation with matching funds from FirstEnergy Foundation, as well as in-kind services by local contractors.

It’s always amazing to me how much care, time and money this community shares with its residents. Throughout the pandemic, I have heard folks jokingly state that West Virginians are good at social distancing (a little self-effacing humor about our rural culture) but what’s truly significant about our culture is how we band together to get everyone through the hard times together.

We are each other’s heroes and heroines. Thank you for all you do.

*Please advise us regarding errors or omissions*
When our thoughts turn to giving, we usually think in terms of cash or checks, perhaps the fastest and most efficient way to share with others. When we want to do more, we may even think of our time and talents as resources we might share, both desperately needed to keep our service organizations and institutions going.

But in Campaign 2020 we ask you to consider "lifetime" gifts that require a different kind of thinking and perhaps new ways of giving. What follows are suggestions for giving you may wish to consider. Many of them have already been used by our generous fellow citizens intent on building a better community. These donors were typically actively involved in the organization or projects that they wished to boost and sustain beyond their lifetimes. In almost all cases, the gifts were not lightly given; they came as a result of careful thought.

CREATE YOUR OWN FUND
A gift of $10,000 or more, which may be paid over five years, permits the creation of a perpetual remembrance fund or a new designated fund with your selected name and charitable purpose. Please contact Myra Hogan (304-309-5502) to explore the feasibility of creating such a fund.

MAKE A PLEDGE NOW; SPREAD YOUR GIFT OVER 3 TO 5 YEARS
If you request, we can periodically send you reminders of proposed payments on a schedule that accommodates your needs and preferences.

MAKE A BEQUEST IN YOUR WILL
You can specify a certain dollar amount or designate the Foundation as a residuary or contingent beneficiary of your estate free of estate and inheritance taxes. Individuals who commit $10,000 or more in their wills will become members of the Summers County Heritage Society. Two members of the Foundation board have committed five percent of their estates in response to the national Give5Local initiative. Local attorneys have agreed to draft wills with no charge that include the Foundation.

CREATE A CHARITABLE TRUST
You may wish to assist some local cause and pass a portion of your wealth to loved ones. A charitable lead trust allows you to create an endowment that will support the work of a project or organization for a minimum of ten years and then be passed on to someone you designate. Tax advantages are immediate. A charitable remainder trust allows you to generate lifetime income for yourself, garner additional tax deductions, and ultimately create a fund to support causes.

TRANSFER A PRIVATE FOUNDATION OR CHARITABLE ENDOWMENT
Avoid the costs and difficulties of managing a private foundation, trust, or charitable endowment. Transfer assets to your own named fund with your purpose and identity under the Hinton Area Foundation, and keep family members or others as fund advisors.

GIVE REAL ESTATE OR PERSONAL PROPERTY
Farms, houses, and apartment buildings are among the most generous gifts received by the Foundation in recent years. Generally the property is sold and the proceeds are used to provide income in perpetuity for a local organization or cause. You may choose to donate your home to HAF and retain a lifetime interest that will enable you to continue to live in your home and gain immediate tax advantages for your gift. Such gifts now support the important work of our county library, and have enabled it to become the "heart and soul" of the community, as one writer described it.

ONLINE USING PAYPAL
Visit our website at www.hintonareafoundation.org and click the "Donate" button. If you want to specify that your donation go toward a specific fund, please note that in the "Designated Fund" note area.

2020 - HOW HAVE WE DEALT WITH THIS UNUSUAL YEAR?

Even though COVID-19 brought so much uncertainty, it also brought a period of time for families that reminded us of what is important. So often in the past, we had gotten away from true family time. I can speak from our family’s personal experience of raising our two children. We were always on the go – most of the time running in separate directions. Someone always had work, school practice, a game or a meeting. Dinner was always available, but often we ate at separate times. Dinner at the table was reserved for Sundays after church, and even that was rushed, because there was so much to do to get ready for the coming week.

Then COVID-19 hit and the nation as a whole was shut down. My oldest child was no longer working and my youngest came home from college. Both my husband, Patrick, and I were working limited schedules. We were all under the same roof with nowhere to go. What we quickly remembered was how much fun we had together. We not only ate dinner at home every night, but we did it together; every night we sat at the dining room table. We took walks, binge-watched TV shows, put together puzzles, and played card games. Despite the ugliness of the pandemic, it reminded us of what is truly important – our families and the people we love.

I don’t take COVID-19 lightly, as it has robbed me of people I love. But despite the hurt, there was still some good in the midst of the storm.

Kimberly D. Jordan, M.I.S

The Summers County Huddle aims to find and fill community needs – much like the Hinton Area Foundation – and since our inception in 2017, we’ve done that many times over. Many of the Huddle’s initiatives have been in-person events. We’ve hosted a tailgate at a high-school football game, organized Earth Day events at Bellepoint Park, and sponsored a First Amendment student writing contest and awards ceremony, just a few of many large and small projects.

As the Covid-19 pandemic took hold, members of the Huddle found themselves thinking more creatively. One of the most effective and gratifying ways we were able to continue to serve the community was simply to use the fence around Hinton’s Town Square Park.

We started hanging mittens and caps on the fence during our first fall and winter as an organization. For 2020, we expanded our offerings to include handmade face masks and bags of non-perishable food items.

As life returns to some semblance of normal, we will continue to look for ways to help our neighbors. Keep an eye on the fence … you never know what you’ll find there.

Carter Family Foundation Matching Grant for First-Time Donors

In the Hinton Area Foundation’s 29-year history, one of our heroes, the Carter Family Foundation, has provided significant capacity-building support. The Carter Family Foundation, based in Raleigh County, has a Board of community members that review grant requests and ensure funds are used according to their original charter – for health, education, religion, and other charitable actions. The Foundation provides scholarships for schools throughout the state; partners with universities for nursing programs; and provides support to local charitable organizations that help the Raleigh County community. In 2014, the Carter Family Foundation in collaboration with a local businessman granted the HAF $200,000 in matching funds toward helping us build our endowment to its current balance of nearly $9 million dollars. Many people took advantage of the generosity of this Carter Family Foundation challenge grant to invest in Summers County’s present and future vitality.

Heroes create incentive for more heroes. Past and present members of our Board of Directors participated in our endowment-building effort by contributing over $1 million dollars collectively through gifts and pledges. This show of internal commitment was crucial in securing the Carter Family match in the first place, and demonstrated to current and former citizens of Summers County that we were more than just talk.

In 2019/2020, we received another matching grant of $20,000 from the Carter Family Foundation. The challenge time was focused on increasing our number of first-time endowed fund donors to the Foundation’s base of supporters. This challenge was especially meaningful, because it provided a way for donors making smaller gifts to be matched dollar-for-dollar up to $250. With a three-month extension of our deadline due to COVID-19, we were able to raise $21,246 with the help of 126 new donors. This brought in a total $42,492 to our endowment from the community in a tough year with a magnanimous $21,246 match from the Carter folks.

The Hinton Area Foundation is so appreciative of the Carter Family Foundation for being a faithful, supportive partner in building the HAF’s capacity to serve the Summers County community. We are where we are today, because of their matching of gifts from the community to support our ability to give back to the community. The HAF thanks the Carter Family Foundation from the bottom of our hearts.

The funds represented are:

CELEBRATING OUR GRATITUDE

• Hinton Hometown Boy Makes Good." "National Success Story Brings Hope to Hometown." "Hinton, like a Phoenix, Rises from Ashes." Are these potential headlines regarding one of our town’s benefactors and hometown heroes? They certainly could be.

A Hinton native and 1980 graduate of the Hinton High School, Ken Allman, is the Founder and CEO of Hinton-based PracticeLink, Ltd and MountainPlex Properties, LLC. Ken is a visionary. Where some see a challenge, he sees a need and an opportunity. In 1994, Ken set up a web server from his small apartment and launched PracticeLink.com as one of the first online physician job boards. From that humble beginning, PracticeLink grew to be the most widely used physician job search and recruitment solution in the United States. With family and friends’ help, Ken established PracticeLink’s headquarters on 2nd Avenue in the Hinton Historic District in 1999. Then, in 2007, Ken and his team established MountainPlex Properties. The initial objective of MountainPlex was to support the growth of PracticeLink by providing staff, visitors, and neighbors with quality lodging, dining, meeting, shopping, and entertainment experiences to complement the existing small but essential shops in the historic district. But the MountainPlex mission soon outgrew that need.

To Ken, Hinton is more than a small town of 2,500 people. Hinton is a special place at the epicenter of more than a million people within a 90-minute scenic drive. For years, MountainPlex has collaborated with local, state, and federal officials, civic organizations, and other businesses to improve, preserve, and promote Hinton and Summers County as a unique and wonderful place to live, work, shop, sleep, eat, and play.

Using a combination of historic tax credits, preservation grants, and private funds, the team at MountainPlex saved, restored, and repurposed several endangered buildings in the Hinton National Historic District. The Guest House Inn on Courthouse Square, the Market on Courthouse Square, the Ritz Theatre Cinema and Performing Arts, Otter & Oak, The Rivertown Gallery, the McCreery Banquet and Event Center, the Otter Café (coming soon), and MountainPlex Media (WMTD 98.3 FM/ www.Hits98.com and WMTD 102.3 FM/ www.TheTicket-102.com) are all part of the MountainPlex family. Existing and new shops like Grandma’s House, BoHo, “Totally” Polished Nails, and the Explore Summers County CVB all make their homes in buildings preserved and maintained by MountainPlex. Of course, Ken is not acting alone, but he has inspired us to unite around a vision of what can be by working together. Ken shares,

“My team and I have a deep appreciation for our locally owned shops like Big-4 Drug, Kirk’s Restaurant, Hinton Floral, and others that provide amazing hometown service. We should all take inspiration from successful Hinton/Summers County-based businesses like Lockridge Pottery, Fox Photographics, R. T. Rogers Oil, Safe & Sound Security, Twin State Beauty Supply, and others that compete regionally and internationally. Our community is blessed to have cultural institutions like the Hinton Railroad Museum, the Hinton Veterans Museum, the Summers County Public Library, to name a few. We are fortunate to have events like the West Virginia State Water Festival, Second Saturdays, John Henry Days, and Hinton Railroad Days. We are in awe of those who take care of others like REACHH, Yummy Bags, Hinton Health Right, Summers County ARH, Hinton Main Street, and the Hinton Hope Foundation. We are indebted to the healthcare professionals and first responders that serve and protect our communities and our families.

I am eternally grateful for the love and encouragement from my wife, Julie, and son, Charles; family, and friends, as well as the coaches, teachers, community leaders, ministers, and mentors that have generously supported me throughout my life. We may be a small community, but we have a great deal to celebrate. I want to thank all of the organizations and people that make Hinton and Summers County an extraordinary place.”

Anywhere you look in the Hinton Historic District, you will see Ken’s influence and the town’s progress as a result. He is constantly keeping an eye out for opportunities to bring attention to the potential for tourism, commerce and attracting newcomers to our relaxed, friendly, small town. How many of us have met visitors who have delighted in discovering our beautiful, hip mix of historic architecture, natural splendor, quaint shopping experiences, and the hospitality of our friendly locals?

Ken’s commitment to our town has made it an example for others to think boldly about their role in Hinton’s prosperity, think locally and globally, and realize that anything is possible as our state and our community transition from the lost industries of the past. The work in Hinton and Summers County has not gone unnoticed. Business, civic, and government leaders throughout West Virginia recognize Hinton for what is possible when we work together. Continuing to put his love, talent, and treasure into our community, Ken is a part of what brings hope for its residents’ bright future.

Please join with the Hinton Area Foundation in celebrating the vision of one of our local heroes, Ken Allman.

**You are invited to join in the fun...**

To maintain the health and safety of our supporters and scholars, our in-person *Annual Awards Banquet and Autumn After Five Auction* events were cancelled this year. In their place, a *Virtual Scholarship Awards Presentation and Reverse Drawing Event* were organized. 63 scholars received a total of $91,250 in scholarships, and Carolyn Fitzsimmons was our $1,000 grand prize winner of the drawing.

We can call these events a success thanks to the many who made donations and purchased tickets. Proceeds from these events help fund the many programs sponsored by the Hinton Area Foundation.

While we continue to do what is best for the public health of our community in 2021, we thank you for your continued support of HAF. Please monitor news and social media for upcoming events.
